Resolved that the Board of Education of the Galway Central School District is in support of the addition of JV Volleyball to the 2012-13 sports program and hereby accepts the Galway All-Sports Booster Club's offer to fund JV sports programs when data supports overwhelming athletic and league participation.

During the fall, 2012 sports season, Volleyball meets both of these criteria. The following were considered in making the recommendation to accept this funding:

Athletic Participation

26 athletes, Grades 9-12 have signed up for Volleyball. These numbers include 10 freshmen and 11 sophomores.

Team Capacity

Best practice for Volleyball team capacity is 10-12 members.

League Participation

Currently there are 13 member schools in the WAC Conference. Ten schools participate in Volleyball. Eight schools currently have a program. MeKeel has not had a JV program in the recent past. Our league presently has 3 schools that will be fielding Boys and girls soccer.

Coaching Supervision

Our Varsity Coach has the ability to coach both teams. JV and Varsity Volleyball teams travel together. Athletes must act as line judges, score keepers (official and unofficial), libero trackers and statisticians.

Sustainability

Twenty-five 7th and 8th grade students signed up for Modified Volleyball, which indicates a strong interest in the program, by Galway Junior High students.

Appoint the following Fall Coaches for the 2012-13 school year:

Varsity Boys Soccer	Rob Martin

Varsity Girls Soccer	Paula Canell
Modified Girls Soccer	Deborah Wilday
