## BOARD MEMBER COMMENTS

Comments were made regarding a successful opening day of school and on how fantastic the school looked for everyone returning to school after the summer recess. Sincere thanks and appreciation were extended to everyone. They talked briefly about the Eagle Spotlight and the need to connect with new residents and those who may be interested in moving into the District so they are informed of all Galway has to offer. The Board asked that the District Calendar be sent to the community earlier next year as many did not receive it until after school started. Mr. Healy was commended on doing an excellent job in getting information out to parents before the start of school and arranging to have daily announcements and other important information easily available on-line to parents this year.
