

## Galway Backpack Program

---

**FREE and available for any Student - K-12!**

The Galway Backpack Program is an on-going program; just a friendly gesture to support student & family needs. Backpacks are filled with meals and supplemental snacks - available each week. Once a month, hygiene kits will also be included in the backpack. Pending availability, extra items will be placed in the bags from time to time.

Please contact Nadine DesPres or email: [nydespres@galwaycsd.org](mailto:nydespres@galwaycsd.org) or 518-779-0044 with any questions. Requests for a backpack can be requested via the email provided, the school counselors or homeroom teachers.

Donated items are always appreciated & can be dropped off to either school office.

**This is a free program and funded 100% from donations.**
