SUNY SCHENECTADY
COUNTY COMMUNITY COLLEGE

SCHOOL OF MUSIC

Over the course of four days students will learn the basics of Pro Tools audio recording software, participate in a live recording session in SUNY Schenectady's Vianna-Brignola Recording Studio, and mix and master a final recording project.

Specifics include:

- Individual computer instruction on Pro Tools
- Work in live recording sessions using state-of-the-art technology
- Participation in mixing and mastering processes

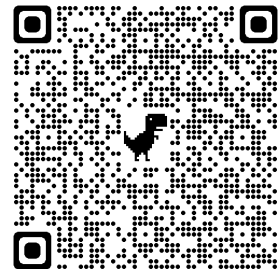

REGISTRATION
\$258 PER STUDENT
