

BANANA SPLITS PERMISSION

Banana Splits are groups of students who try to help each other with issues of family change through talking, participating in projects and playing games. Any child whose family has changed through parental separation, death or divorce is invited to join.

Banana Splits meet every other week during lunch so your child will not miss any academics. Participation is voluntary from meeting to meeting.

I give permission to my child, _____, in grade _____ to participate in Banana Splits with his/her grade level. I understand that by giving my permission, my child may choose to go every other week, but does not have to attend all group meetings.

Please feel free to contact Mrs. Christine Bornt (School Social Worker) at 882-5047 extension 4908 if you have any questions or concerns. We look forward to working with your child.
